

Introduction to Educational Visits/Trips

Bilbrough Country Classroom will occasionally arrange trips, visits and learning off-site. We are committed to providing these as a positive tool to develop students' independent, investigative learning, and to build their experience of the local and wider world.

All staff members have a responsibility to:

- take reasonable care of their own and others' health and safety
- co-operate with their employer
- carry out activities in accordance with training and instruction
- inform the employer of any serious risk

This policy been produced to offer staff advice and support in the planning and organising of all offsite activities in order to ensure the health and safety of students.
